## VISION & MISSION STATEMENT

### MY VISION

May the love of God  
so abide in the hearts of men,  
that the world be transformed anew.

### MY MISSION

It is my mission, as ordained by God,  
to bring *awareness and remembrance* of  
the Creator of the Universe  
into the hearts and minds and souls of others,  
without exception or exclusion of anyone,  
by enlightening them through the healing power  
of the written and spoken word,  
that they may more clearly comprehend  
the significance of their creation,  
their individual Divine mission in the Earth  
and how they may live life  
more purposefully and abundantly  
by understanding the God-given Universal Laws  
as exemplified by the life of Jesus Christ.

**Rev. Dr. David W. Stevens** has spent a lifetime studying philosophy, psychology, theology, world religions, metaphysics, the esoterics and natural health with an emphasis on mind and spirit. An intuitive Counselor, he is a gifted communicator, born with an innate ability to convey the most complex spiritual concepts and truths in compassionate, unclouded, simple terms. Blending ancient wisdom and modern spirituality with traditional Christianity, he creates a new translation that uplifts, motivates and enlightens others through the power of the spoken and written word.

Thousands have sought his wise counsel – from entertainers, politicians, religious and military leaders, physicians and healers, teachers and missionaries, artists and business movers and shakers to the average working man and woman – all seeking answers to life’s most difficult questions and coming away with a new perspective of their place in the Universe.

# REV. DR. DAVID W. STEVENS

## Created, Founded and Established:

**New World Ministries:** a charitable nonprofit 501(c)(3) organization established for the express purpose of leading others to Christ and Truth through all forms of worship, education, communication, counseling and outreach programs. Non-denominational.

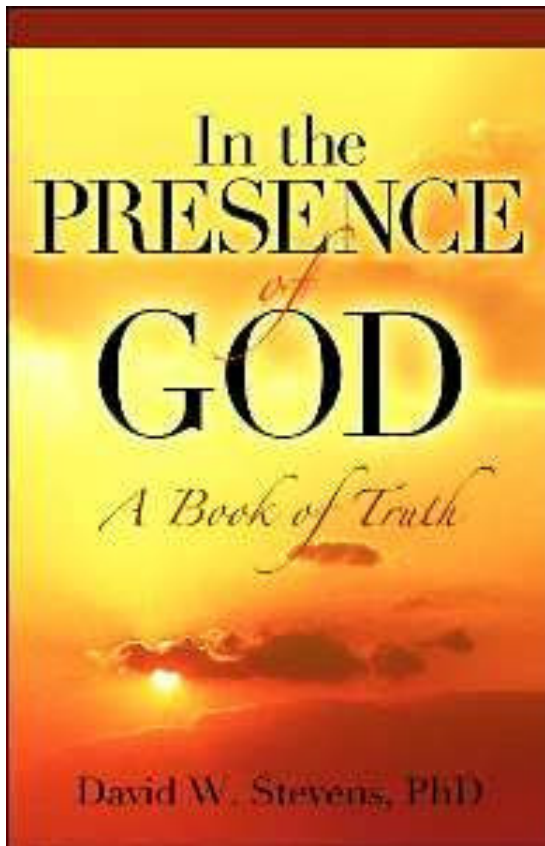

**Christian Counseling Services:** both local and national programs, offering comprehensive Christ-centered counseling to those who are hurting mentally, emotionally, physically and spiritually. Emphasis is placed on personal growth and development of a fulfilling life that is grounded in the spiritual tenets of Christianity.

**Silent Advocates Healing Prayer Services:** a national healing prayer service established for the sole purpose of praying for healing in the lives of others by individuals who dedicate time everyday to this purpose. It is supported by charitable donations used to cover costs of printing literature and mailing, and the distribution of free bibles.

**Brothers Keepers Program:** a charitable program that provides Christ-centered counseling to those with little or no income. Relying solely on donations, funds are judiciously administered for those who want a hand-up, not a hand-out. A focus is placed on the needs of families with children. The program addresses real issues – personal growth, vocation, education, wellness and interpersonal relationships.

**Phoenix Weight Loss Program:** a unique program created by Dr. Stevens based on the premise that a personalized approach to weight loss is essential for it to be effective and long-lasting. This program takes a faith-based, truly holistic approach that incorporates body, mind and spirit, as well.
